[RUSH] MESSAGE: Please verify

The claim amendment changes dated 10-12-04 are not marked as OK to enter or not. The examiner 4-18-05 submitted letter stating that there may be problem with these changes and the 1-18-05 NCA. Should these changes be entered?

Thank You
TU

[XRUSH] RESPONSE: Claims in amendment (filed 10/12/04) should be automatically already ENTERED due to the fact that this amendment is filed at the time of Request for Continued Examination (RCE). There is no need to mark/initial to indicate whether "enter" or not. The letter (filed 4/18/2005) is filed to clarify the invention, this letter is not an amendment.
